MAYFIELD LOCAL HISTORY SOCIETY

The MAYFIELD LOCAL HISTORY SOCIETY was founded in 1975 to encourage interest in the history of Mayfield and its locality

The Society has published a concise **Historic Guide** to Mayfield past and present, that can be downloaded from the society website.

www.mayfieldlhs.org.uk

The main activity of the Society is the holding of a number of talks during the winter months on relevant historical topics, especially related to local parishes and the county of Sussex.

A small local history and archive collection is also maintained, for which additional help would be welcomed by the society's archivist.

A Mayfield Oral History archive has been created and thanks to a grant from Wealden District Council the society has now built a modern website available to all that can incorporate its extensive collections of images of old Mayfield.
